

Music is a vital part of a child's life and enables children to express feelings and release energies and emotions in new and novel ways. Children learn through play and music as part of the play experience allows for greater imagination and creativity. The MusicPlay program provides a rich music environment for local children ages birth to 5 years and their parent or caregiver to play and learn through music play activities.

Sessions run once a week for 10 weeks. Total cost is \$130 per child with discounts available for multiple child families.
